

**DERAILER ACCESSORIES (MADE IN USA)**

**MODEL NO. VARIOUS**

Basic Spur Track Safety — DERAILS - Don't run over your derail because you didn't see it!

Magnetic Light

Small but brilliant flashing mini-light with magnet base/steel clip

Model No. **4015-32**

Flashing Blue Light

Model No. **4115-01**

Flashing Red Light

Model No. **4115-17**

**MoonSign**

3 x bigger than standard blue derail sign (455mm OD). White retro-reflective white facing and oversized DERAIL lettering on both sides. Can be seen further away night or day. Fits any Aldon derail sign holder, hinged or portable (Except "Pop-Up Signs" on page 124)

Model No. **4015-185**

**Sleeper-Mounted Sign Plate**

At a distance, you can't see a derail unless the derail sign is raised. Remind your workers of the importance of lifting or lowering the sign plate when using a derail

**ALWAYS**  
Lift up sign when you place derail block on rail.  
Lower sign when you throw derail block off rail.
